## DOMESTIC

## **The Company**

*HIRAL LABS LIMITED is WHO: GMP, ISO 9001:2015 & ISO 22000:2018 certified Pharmaceutical and Nutraceutical formulation company having own manufacturing plant in Roorkee, near New Delhi, India. We manufacture Tablets, Capsules, Injections, Eye, Ear & Nasal Drops, Oral Liquids, Oral Dry Powders, External Preparation (Ointments, Lotions & Creams), Ready to Compress Granules, Nutraceuticals and Health Supplements. Our strength is our comprehensive manufacturing facility and capability to manufacture more than 300 stable formulations in several packing styles. In domestic market other than 175 our own brands we manufacture products for more than 350 companies on third party basis in their brand names. Our products are exported to more than 33 countries including Azerbaijan, Canada, Cuba, Georgia, Jordan, Kenya, Kosovo, Morocco, Myanmar, Nicaragua, Philippines, Romania, Sri Lanka, Uzbekistan, UAE, Yemen etc.*

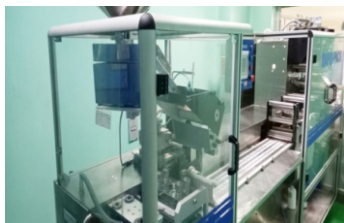

## **Management & Quality**

*Well qualified and experienced production staff is capable of delivering the most advanced formulations with highest standards of quality. Our QC & QA departments have qualified and experienced staff to take care of quality at every stage of manufacturing.*

*Our manufacturing facility is situated at two premises having three separate buildings with most sophisticated plant and machinery. Chemico-physical and Microbiological lab with most sophisticated equipment is capable of in-house testing of environmental parameters, water, stability, raw and finished products, Water & HVAC system is as per international standards.*

## **Seven Good Reasons to Choose Hiral Labs Ltd.**

- 1. WHO GMP, ISO 9001:2015 & ISO 22000-2018 accreditation.*
- 2. Quality Products, Affordable Price and On Time Supplies.*
- 3. 300 Ready Dossiers in CTD & ACTD formats with strong in-house regulatory team.*
- 4. Products exported to more than 33 countries.*
- 5. Comprehensive drug & Nutraceutical formulation facility under one roof: Tablets, Capsules, Injections, Eye, Ear & Nasal Drops, Oral Liquids, Oral Dry Powders, External Preparation (Ointments, Lotions & Creams), Ready to Compress Granules, Nutraceuticals and Health Supplements.*
- 6. Expertise in developing tailor made and customer specific formulations.*
- 7. Technical capability & know how to manufacture ER/SR, bilayered, gastro-resistant, orally disintegrating, mouth dissolving, highly hygroscopic and taste masked formulations.*

## A : Tablets, Capsules & Powders
